Dear Tony,

I am truly thrilled to be one of the voices at your banquet to offer my sincere congratulations for this distinguished honor. Though I am sure your peers tonight are aware of your generosity to the Pi Kappa Phi fraternity on Drexel's campus, they may not know the extent of your commitment. Specifically, you have assisted in raising over \$300,000 for renovations to the fraternity house, have worked diligently with Student Life to orchestrate the first-ever rush on campus, and have assisted in reshaping the landscape of Drexel to create a stronger sense of community.

Additionally, I want to commend you for your continued commitment to Drexel University as a whole, by remaining active and personally generous with both your time and your gifts. You have been integral in engaging other alumni and helping them reconnect to the university, which in turn has brought even greater and wider spread support. Your leadership at Drexel has been invaluable, and it remains particularly meaningful to me as it also comes from one of our most distinguished alumni.

It is a privilege to have you as a member of the Drexel leadership team. Congratulations on this honor and best wishes for a lovely and well-deserved celebratory dinner.

Sincerely yours,

Dr. Constantine Papadakis
