

JOURNEY OF HOPE IS...

- a program of Push America, the National Philanthropy of Pi Kappa Phi Fraternity, whose mission is "building leaders of tomorrow by serving people with disabilities today."
- made up of 85 men of Pi Kappa Phi Fraternity from different colleges and universities across the country.
- a 4,000-mile bicycle ride beginning in San Francisco and Seattle, WA and ending in Washington, D.C..
- an event that raises funds for and awareness of people with disabilities.
- a life lesson on acceptance and understanding of our fellow Americans with disabilities.
- educating people on how to interact with people with disabilities and also encouraging others to learn more about how they can help support people with disabilities in their community.

WILL YOU GO THE EXTRA MILE?

Donate today to Journey of Hope to continue enhancing the quality of life for people with disabilities. Make checks payable to Push America or donate online at:

Ryan Monkman
Drexel University
Engineering Major

I am extremely honored to be a member of the Journey of Hope Team. I am excited to be able to spend my summer traveling the United States raising funds and awareness on behalf of people with disabilities. Please help me enhance the quality of life for people with disabilities by making a tax-deductible contribution to Push America on my behalf. A donation of any size will go a long way to helping me realize my goal of serving others this summer.
